ADDITIONAL APPLICANT INFORMATION

VERY IMPORTANT:

The Congressional Application Form (including your essay) must be completed and mailed to each member of the Academy Selection Committee (*Group A- 9 members*). Upon submission, it is then **the applicant's responsibility** to contact a minimum of six (6) persons on the Committee in Group A to schedule an interview. However, the more Committee members you contact, the better each Committee member will be capable of assessing your commitment to the process and to the Academy of your choice.

The Congressional Application Form (including your essay) must also be completed and sent to the Academy Liaison Officer (*Group B*) for the Academy of your choice as soon as possible. **It is mandatory that the applicant contact their chosen academy's liaison listed in group B of the Selection Committee member list and conduct a face to face interview with that liaison as soon as possible.** He/She will guide you through the application process and answer any questions that you may have.

Submissions to members of the Academy Selection Committee and the Academy Liaison Officer must be received no later than **Friday, October 30, 2015**. It is recommended that you submit your application early and begin interviewing before late summer. No applications will be considered after this date.

Please see the link on the website for Academy Selection Committee and Officer Liaison listing and contact information.

This year's **final interview session**, when each candidate sits before the entire Committee for approximately 15 minutes, will take place on **Sunday, December 6th, 2015**. The final location TBD. That is the day that the nominations will be determined. You will receive a schedule, via email, approximately one week

before that date. **It is mandatory** that you attend the interview. If this is going to be a problem, please notify Ann Mueller as soon as possible.

Should you have any questions during this process, please feel free to call Ann Mueller @ 518-610-8133.
